

JOB TITLE: Vice President, Finance

MANAGER: Chief Financial Officer

JOB TYPE: Full Time - Permanent

DRI Healthcare (“DRI”), is a pioneer in global pharmaceutical royalty monetization. We accelerate therapeutic innovation by providing capital to inventors, academic institutions and biopharma companies. We focus on medicines that matter – pursuing deals for medicines that have a demonstrable positive impact on the world, aiming to acquire dependable, patent-protected cash flow streams derived from the sales of those important drugs. Since our founding in 1989, DRI has invested multiple billions of dollars into life science organizations, by acquiring or creating royalties on industry gold standards such as Eylea, Keytruda, and Zytiga. DRI Healthcare Trust was listed on the Toronto Stock Exchange in 2021, and in the last 3 years alone we have deployed ~\$1B across 11 deals. The company is highly focused on accelerating our deployment into the dynamic biopharmaceutical industry which is increasingly recognizing the benefits of royalty investments. Job Description:

DRI is looking for a highly motivated and results-driven individual to join our Finance team as a Vice President, Finance (Corporate Accounting). The Vice President, Finance will primarily be responsible for the corporate accounting, reporting, controls and systems related to DRI Capital Inc. (“DRI”) and its subsidiaries and our legacy investment funds.

Specific responsibilities include:

- Prepare financial reporting for DRI Capital and its subsidiaries on a monthly/quarterly and annual process.
- Plan, direct and coordinate all accounting operational activities including A/R and A/P.
- Manage DRI’s and DRI Healthcare Trust’s budget process.
- Manage the distribution process for the legacy investment funds.
- Manage and report on external debt and related payments.
- Oversee the preparation and review of annual income tax filings.
- Responding in a timely manner to internal and external queries including legacy investment fund investor requests and helping to maintain a first-class customer service culture.
- Review and approve expenses and other payments for DRI Capital and its subsidiaries.
- Assess current accounting operations and recommend improvement opportunities.
- Oversee the internal controls program including ensuring that all controls are properly documented, and that all testing is performed to support the CEO and CFO certifications on the operating effectiveness of the controls.
- Manage the process for monitoring, reviewing and reporting of royalty collections on a quarterly basis to ensure timely collection of royalties and follow up of variances from expectations with royalty counterparties.
- Manage the maintenance and enhancements of systems such as NetSuite, Vena and Squareworks.
- Lead special projects and assignments, as required.

The DRI core values are “teamwork”, “integrity” and “drive to win.” Accordingly, the candidate we are looking for will demonstrate the following:

- Outstanding communication skills, both written and verbal.
- Excellent interpersonal and well-developed relationship management skills.
- Strong service oriented, work ethic, professional demeanor.
- Strong organizational skills, with attention to detail and a proactive nature.
- Ability to work well in a high pressure, time sensitive, entrepreneurial environment.
- Ability to continually monitor processes and procedures to optimize group effectiveness.
- Ability to lead, coach, influence and motivate productive work teams.
- Demonstrated ability to engender trust and confidence of senior professionals, both internally and externally. Able to interact effectively with all levels of senior management and within and across various groups (i.e. legal, accounting, and investment professionals).

The successful candidate will possess the following qualifications:

- An accounting designation (CPA, CA, CMA).
- 7 -10 years' experience in working within the investment industry with a private equity and/or publicly listed investment firm.
- Extensive knowledge of accounting systems and generally accepted accounting principles (IFRS).
- Extensive experience with financial statements and related note preparation.
- Experience with NetSuite and Workiva would be considered an asset.
- CFA and/or CBV designation would be considered an asset.
- Advanced Microsoft Office proficiency.
