

## **Legal Associate**

DRI Healthcare Trust is managed by DRI Capital Inc. (“DRI”), a pioneer in global pharmaceutical royalty monetization. We accelerate therapeutic innovation by providing capital to inventors, academic institutions and biopharma companies. We provide uniquely favorable exposure for investors through a diversified, risk-mitigated portfolio of therapeutic assets that aims to generate attractive returns and significant growth potential. We focus on medicines that matter – pursuing deals for medicines that have a demonstrable positive impact on the world, aiming to acquire dependable, patent-protected cash flow streams derived from the sales of those important drugs. Since its initial public offering in 2021, DRI Healthcare Trust has deployed more than US\$1.0 billion, acquiring more than 25 royalties on 20-plus drugs, including Orserdu, Omidria, Vonjo, and Zejula. DRI manages the assets and identifies, evaluates and completes transactions for new assets held within DRI Healthcare Trust. DRI Healthcare Trust’s units are listed and trade on the Toronto Stock Exchange. ## **Job Overview**

This position will primarily support and work with DRI’s investment team. The position will also have general duties within the broader legal department, which may include responsibilities related to asset monitoring, corporate governance and litigation matters. This role can be based in either New York or New Jersey.

## **Skills and Qualifications:**

- 2-5 years at a top-tier law firm
- Significant corporate transactional experience
- JD from an accredited law school, strong academic credentials and membership in good standing to at least one state bar association
- Strong communication skills and ability to present clear and practical analysis and recommendations to the investment team and senior management
- Strong organizational skills and ability to multi-task in a fast-paced environment
- Strong analytical and problem-solving skills and attention to detail
- Self-motivated and proactive; eager to take ownership and able to advance work independently
- A strong desire to learn and to broaden one’s legal and managerial skills

The successful candidate will add value to the firm by:

- Playing a key role on deal teams by negotiating transaction documents, progressing transactions to closing and conducting due diligence
- Assisting with the legal aspects of financing transactions
- Providing legal support in relation to the management of investments
- Working with other members of the department and external counsel to support the firm’s corporate governance and regulatory obligations
- Educating senior executives regarding legal and risk management issues
- Advising internal clients at a variety of levels by communicating clear, concise and actionable legal advice

Base Salary Range: \$160,000 - \$200,000 USD

The annual base salary range reflects the low and high targets of the estimated base salary range for this position. The actual base salary an employee in this role receives may vary depending on a variety of factors, including but not limited to: work location, job-related knowledge, and prior experience. The range listed reflects base salary only, and the total compensation package includes annual bonus and may include other components.
